

TRACK RULES

The rules and or regulations set forth herein are designed to provide for the orderly conduct of racing events and to establish minimum acceptable requirements for such events. These rules shall govern the condition of all events, and by participating in these events, all participants are deemed to have complied with these rules.

NO EXPRESSED OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM PUBLICATION OF OR COMPLIANCE WITH THESE RULES AND/OR REGULATIONS. They are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to a participant, spectator or official.

The race director shall be empowered to permit minor deviation from any of the specifications herein or impose any further restrictions that, in his opinion, do not alter the minimum acceptable requirements. NO EXPRESSED OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM SUCH ALTERATION OF SPECIFICATIONS. Any interpretation or deviation of these rules is left to the discretion of the officials. Their decision is final.

The Management of Delaware International Speedway.

DELAWARE INTERNATIONAL SPEEDWAY
POLICY REGARDING USE OF/OR POSSESSION OF ILLEGAL DRUGS OR SUBSTANCES

1. **ILLEGAL DRUGS, DEFINITION:** Illegal drugs are those substances defined and prohibited by-state and/or federal laws.
2. **GENERAL PROHIBITION:** Possession or use of illegal drugs or drug substances, as defined above, is prohibited in any form, by any participant at Delaware International Speedway, either on the Speedway grounds, or in any area considered to be used in the operation of the Speedway such as parking lots or leased properties.
3. **PARTICIPANT, DEFINITION:** A participant is any person taking part in any event at Delaware International Speedway in any form, including but not restricted to drivers, car owners, mechanics, crew members, sponsors, track officials or pit area observers. All such persons shall be considered public figures who have, by their own choice, become involved in auto racing events at Delaware International Speedway, with the full understanding that he or she must abide by the rules and regulations established and published or announced by Delaware International Speedway. All participants are considered to be responsible for their personal conduct.
4. **VIOLATIONS AND PENALTIES:** Any person found to be in possession of or under the influence of an illegal drug or drug substance on the Speedway property, as defined above, **OR** any person who is arrested by duly-constituted authorities and charged with possession and/or use of an illegal drug or drug substances, **OR** any person who is formally charged by the court of law with illegal drug violations, **SHALL BE SUBJECT TO THE FOLLOWING PENALTIES BY THE SPEEDWAY:**
 - A. Suspension from competition and eviction from the Speedway property, and denial of further entry to the Speedway for a period to be determined by Speedway officials.
 - B. Any participant who is formally charged by a court of law with an illegal drug violation, upon notification to Delaware international Speedway management by that agency, shall be suspended from all forms of participation at Delaware International Speedway until such time as the charges are fully adjudicated through the legal process. Any participant convicted of a formal drug charge, by such process of law, will be prohibited from taking part in any Delaware International Speedway events for a minimum period of 1 year from date of conviction.
5. **APPEALING AND HEARING:** Any participant suspended for violation of these rules may be granted an appeal hearing by a board of officials designated by Delaware International Speedway, provided the suspended participant requests such a hearing, in writing, within 14 calendar days of the date of suspension. It is the responsibility of the suspended party to make such a request if any hearing is desired.
6. **REINSTATEMENT:** A participant suspended for violation of these rules, **EXCEPT IN CASE OF PERSONS CHARGED WITH SELLING DRUGS**, may, as the result of a decision reached through the hearing process detailed above, be reinstated, if it is mutually agreed that the participant at his or her own expense -- will produce documentation from a physician licensed within the state, certifying that he or she is drug independent, as a result of random and periodical examinations and urinalysis testing, made at the request of Delaware International Speedway management.
7. **PRESCRIBED DRUGS:** If a participant is using prescription drugs on the advice of a physician, such use must be reported to the chief pit steward or racing director prior to the participant's entry into any Speedway activities. Failure to so notify will subject participant to penalties as described above.

QUALIFYING AND LINE UP PROCEDURES - ALL DIVISIONS

QUALIFYING:

1. Week one heat lineups will be by draw. Feature lineups will be heads up from heats. Following week one heat lineups will be by point average low to high.
2. If 24 cars or less are registered, there will be 2 heat races with 7 cars to qualify from each heat. Top 5 of those 7 cars will invert by point average low to high. All other cars will start behind the qualified cars in order of their heat finish.
3. If there are 25 or more cars, 3 heats will be run with 5 cars qualifying in each heat. Top 3 of those 5 cars will invert by point average low to high. All other cars will qualify through the consolation(s) and start in the order of their finish behind the cars that qualified through the heats.
4. Following week one, top 5 cars will be inverted by point average, low to high, the rest of the heat qualifiers will line up behind them in order of finish. Cars that qualify through the consolation(s) will line up in order of finish behind all qualified cars. Once a three Feature average is established, those cars will have priority over cars with two week averages, two week averages will have priority over drivers with only a one week average and first time racers will start the heat at the rear.
5. Drivers who miss a week will not be handicapped by point average for the week they return and will start at the rear of the heat (or only ahead of a first time driver.) **All Classes**
6. There will be a minimum point average for inverted starts in all classes.

PROCEDURES:

1. Any car that is not signed in at the pit tower will not start any racing event until they have signed in.
2. Any car that is not in his proper position on pit road or needs wrecker assistance starts in the rear.
3. Any driver may elect to start at the rear of the heat. Any qualified driver may elect to start at the rear of the feature.
4. Any driver that is currently in the top ten point's standings is allowed **one** provisional start a year, POINT SHOWS ONLY. They may use this provisional start if they do not qualify through the heat race or consolation. Max two cars per class. Provisional based on highest 2 drivers in points.
5. Any car or driver changes must be reported to the pit tower officials. Changes must be made before the event. Car must start at the rear of the field. If not reported before event, you will be deducted a maximum of 10 spots from finishing position.
6. Any car(s) that fail to meet post- race inspection will be positioned to the rear of the order of finish. Other sanctions or penalties are based on division rules.
7. A driver may not change cars during race including heats, consolations and features.
8. A driver can only compete in one division per night in a regular point program.
9. A driver can only qualify a second car in the same division through a consolation and by starting the consolation voids the finish of the first car.
10. Team cars must be clearly distinguishable from one another and use a different number or letter which is large enough to be easily seen from the tower.
11. Any current year champion will be a guaranteed starter in the Fall Championship race.
12. A driver that qualifies in the heat but breaks and cannot start the feature is still qualified and receives heat points. 13 Any driver banging or crashing into a fellow race car under caution may receive a 1 race suspension or a fine of \$250.00 or both.
14. All classes must have a Raceceiver or scanner to receive speedway broadcast. Raceceivers must be activated and in use during all events, including warm-ups. It is the responsibility of each race team to make sure Raceceivers are mounted safely in the cars and are in good operational order. Cars competing without working Raceceivers will be subject to fines and/or penalties, at the discretion of race officials. Drivers who do not follow instructions broadcast over the radio channel will be sent to the rear of the field or black flagged.
15. All classes must have AMB Trans x260 Transponder. The AMB Transponder is available thru the track or direct from AMB. All transponders must be registered with the pit tower prior to taking the track.
16. No car can race with rear bumper missing.
