## Track Facts

Welcome to Delaware Int'l. Speedway. We are pleased to have you at our facility for the Delaware State Dirt Track Championship. Enclosed you will find information for some frequently asked questions, and some new information.

**Transponders:** Transponders will be required for the Small Block Modified, Big Block Modified, Late Models, Crate Models, AC Delco/602 Sportsman, Modified Lite, Delmarva Chargers, and Delaware Super Trucks feature events. **Drivers will be warned in Hot Laps & Heats if their transponder is not present/working. ANY DRIVER without a working transponder at the start of a feature event will be BLACK FLAGGED and sent to the pits. Drivers may return to the feature event once they have a working transponder.** Transponders are available for rent at the Pit Tower. The cost of the rental is, \$30.00 per day / \$40.00 for 2 days. There is an additional charge of \$5.00 for the mounting bracket. If you choose to return the undamaged bracket at the end of the event you will receive your \$5.00 back. **You must sign a rental agreement when you receive the transponder. We also require that we hold your driver's license until the transponder is returned.**

<u>Class</u>	<u>Minimum Distance From Front of Car</u>	<u>Side</u>
Modified & AC Delco	151 Inches	Right
Late Model & Crate Model	As low as possible on Mid Motor-plate	Right
Modified Lites	83 Inches	Driver

Transponder must be mounted at a height of 12" to 18" from the ground. For optimum function, the transponder should be mounted as close to the ground as possible. Transponder must be mounted vertically with no obstruction between the transponder and the ground. We recommend that an additional support like a tie wrap be used to secure the transponder.

**Camping:** Overnight camping is allowed **only in the field outside** of the front gate entrance. Please be courteous to your neighbors. **No inside gate camping allowed.**

**Track Secured:** Friday & Saturday Night – Track will be secured approximately 1 hour after the last event is complete. There will be a 15 min. warning announcement.

**Radio Scanner Frequency:** 468.725                      **Raceceiver:** 1499                      **FM 88.9 (Pit PA)**

**Pit Vehicles – 4 Wheelers, etc.** – Please remember that the speed limit is 10mph. Any one operating any of these vehicles **must be 16 and have a driver's license.** All pit vehicles must be operated properly, one (1) person per seat. No warnings will be given for improper use. You will be required to return the vehicle to your pit area for the rest of the event.

**Children** – Children 13 years and younger **must be accompanied by an adult in the pits at all times.**

**Pets** – All pets must be leashed and remain in your pit area. **Pets are not allowed in the grandstand area.**
